### How You Can Help Our Homeless Cats and Kittens

#### **DONATIONS:**

We gladly accept monetary donations as well as donated items - please refer to our wish list on the right. There is an Endowment Fund in place to assure the long term financial security of Stay-A-While Cat Shelter. If you are interested in making a contribution to this fund please contact the Director at 440-582-4990.

#### **BECOME A SPONSOR PARENT:**

For only \$10.00 a month, you can help support a cat who has little chance of being adopted due to their age, medical condition, or behavioral problems. You will receive a photograph and biography of your sponsored cat. Your sponsor cat will also send you a holiday greeting card. You can choose your own cat or we can choose one for you. Become a sponsor parent and experience the rewards of knowing that you make a difference in a special cat's life! To become a sponsor, please contact the shelter by phone at 440-582-4990 or by email at [info@stayawhilecatshelter.org](mailto:info@stayawhilecatshelter.org).

#### **RECYCLING PROGRAMS:**

You can recycle your used ink jet or laser ink cartridges at the shelter. To see a complete list of accepted ink cartridges check out the Advantage Cartridge website at [www.advantagecartridge.com](http://www.advantagecartridge.com) and click on Price List. You can also turn your aluminum cans into cash for our shelter. Simply drop off your cans in the bins located in the enclosure next to the **new** shelter. Recycling not only helps the environment but helps our kitties too!

#### **PAW POINTS REWARDS:**

Paw Points from Fresh Step Cat Litter can be donated to Stay-A-While through the Fresh Step website, or they can be mailed in or dropped off at the shelter. Just cut out the sequence of numbers on the back of the removal instructions and mail it to the shelter. Paw Points can be redeemed by the shelter for free litter or merchandise for our kitties to enjoy. Paw Points codes can be located on boxes of Fresh Step Scoopable Cat Litter and bags of Fresh Step Clay Cat Litter.

#### **SHOP FROM OUR WEBSITE:**

Our website has a shopping page with a list of CafePress.com shops where you can purchase Stay-A-While merchandise and benefit the shelter at the same time. There is also a link to Chewy.com, where you can shop for goodies for the Stay-A-While cats and kittens, too!

#### **VOLUNTEER YOUR TIME OR SERVICES:**

Stay-A-While is like any other shelter and is in need of volunteers. Volunteer opportunities include helping with the daily cleaning of the shelter, maintaining the shelter and shelter grounds, participating in fundraising events, and brushing and socializing the kitties. Volunteering your time and/or services is a great way to support the shelter and help these homeless felines. If you would like more information on becoming a volunteer at our shelter, please contact the Volunteer Coordinator.
